

# **FREELANCE PORTFOLIO KNITWEAR**

**SHARI LESMES BAILLS**

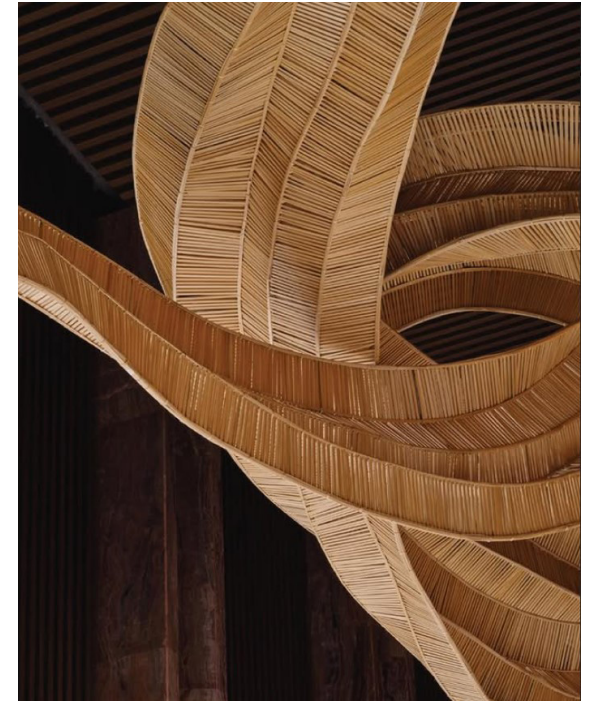

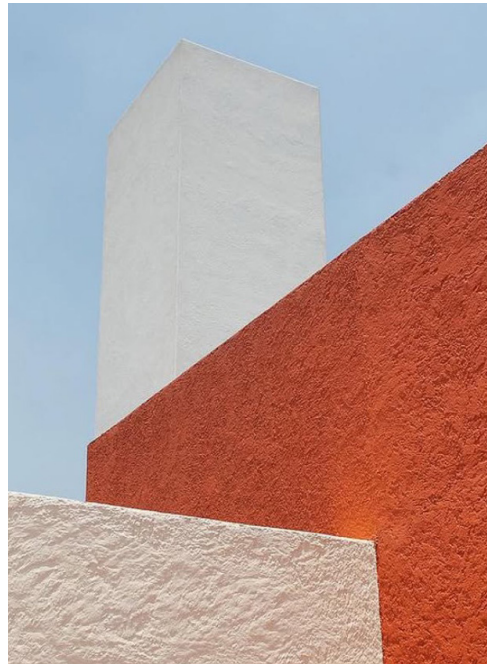

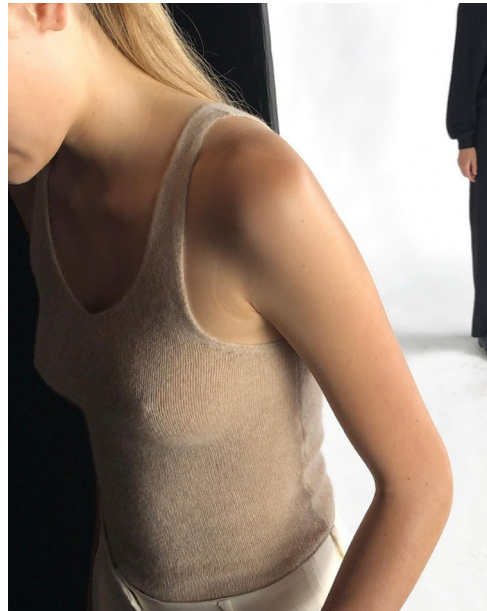

This collection embodies youthful femininity through graceful movement and a luxurious feel, offering a modern interpretation of retro classics from the 70s. Embracing the era's spirit, it merges micro-geometric patterns with an aesthetic of elegance and romantic expression. The designs celebrate the power of color and precise geometry, creating a refined yet bold visual language that captures both nostalgia and contemporary sophistication.
